

Eskilstuna August 2022

To whom it may concern,

SUPPLIERS DECLARATION ACC TO REGULATION EC 1907/2006 REACH

The undersigned hereby certifies that the material in the products delivered and will be delivered to August Lundh AB during 2020 - 2021 from Mälarplast only contains materials and substances that are approved and in cases where this is required to be registered in accordance with REACH.

They are also completely free of PVC and phthalates. Mälarplast is quality and environmentally certified according to ISO 9001 and 14001, which means that we have full traceability throughout the production chain.

This statement is valid until 31 December 2023 and will be reviewed in case of legislative updates.
